

## PRIVACY STATEMENT

1. The At Home Art Kft. (from now on AHA) will process the personal data of the Loyalty Card Applicant (from now on Applicant) according to the legal regulations of the privacy laws. By filling the Application Form (from now on the Form) the Applicant verifies that AHA can process the Applicants' personal data and can forward these data for third parties (from now on Partners) only for data processing purposes.

The aim of data processing:

- Only sending the newsletter for the Applicants.

With the filling of the Form the Applicant verifies that within the newsletter sending period AHA can process the personal data because of the below data-processing aim.

- Developing the services and using the newsletter for marketing purposes.

2. The Applicant has verified that AHA can send electronic newsletter (email) and/or personalized offers on the Applicant's email address. The Applicant can ask directly AHA to finish sending the newsletter and personalized offers. The Applicant has three options for signing down from the newsletter, can ask it per post (sending a letter to the helpdesk of At Home Art Kft.), can ask it in an email ([info@athomeart.hu](mailto:info@athomeart.hu)), can sign down using the direct link in the newsletter and can use the website ([www.athomeart.hu](http://www.athomeart.hu))

3. AHA can only process and store the Applicant's data till the duration of the legal agreement. The personal data of the Applicant cannot be used for marketing purposes after the cease of the legal agreement.

4. The Applicant can object against the processing of the personal data. AHA will observe the objection – together with leaving the data process in abeyance – within the shortest possible period, but maximum 15 days and inform the Applicant about the result in writing. If the Applicant disagrees with the result, then the Applicant can go to Jury within 30 days after the result.

5. The process of the newsletter database refresh:

The Applicant fill in the Form, which will be forwarded to the helpdesk;

The members of the AHA helpdesk will record the personal data given by the Applicant into a database;

AHA sends the newsletters.
